## ***From Pastor Gary Kinkel...***

Dear Sisters and Brothers in Christ,

April 16 is fast approaching! Our Lenten pilgrimage, our meditation on our Savior's Passion and on our own discipleship, is hurrying to its consummation in joy! Easter calls us forward! It is the foundation and heart of our faith. The core message of Easter is that Jesus Christ, by his terrible suffering and death and through his resurrection from the dead, has conquered sin, death and the devil for all of us. This is the immovable point around which our whole faith—our whole life—turns. As Paul put it: "If Christ has not been raised, your faith is futile and you are still in your sins." (1 Corinthians 15:17)

The earliest Christians took meeting for worship on the first day of the week, Sunday, because it was the day Jesus rose from the grave. Therefore, every Sunday is actually a "little Easter." Every Sunday is a remembrance and a celebration of Jesus' victory. But around the end of the first century Christians spontaneously began to hold annual celebrations of Jesus' resurrection. It was called ***Pascha***, which is an attempt to make the sounds of the Hebrew word for Passover in Greek. This happened because it was at the time of Passover that Jesus was crucified and then raised from death. Sunday and Easter are the two most ancient Christian observances.

When Easter became an "official" celebration of the whole church, rather than the local observance of congregations at their discretion, there was a great deal of difficulty in agreeing on a date. I am embarrassed, maybe even a little ashamed, to say that there was fierce debate. Horrible things were said by some Christians about other Christians over the simple matter of a date. How often the church "majors in the minors," we get upset and fight about things that, in truth, do not matter. They just somehow become important to us, sometimes for reasons we ourselves do not even understand! But we have to be careful not to let any feelings we may have about some issue or other cause us to forget that God has loved us with an eternal love in the life, suffering, death and resurrection of Jesus. Therefore, we are obligated by a duty to love one another.

It was actually the Council of Nicea, in the year 325 (famous for its resolution of some Trinitarian debates), that finally decided the issue of the date of Easter. The bishops together in Council agreed, and therefore, decreed, that Easter was to be celebrated on the Sunday immediately following the 14<sup>th</sup> day of Nisan (in the Jewish calendar). There has been some further debate and upset when changes have been made to the calendar (in the sixteenth century and again in the nineteenth century).

But whatever the date, Christians have always observed the memory of Jesus' suffering and death and his victorious resurrection with fasting and prayer, vigils, meditation on one's sins and on the ways one is called to become a more faithful disciple, and finally with exultant joy in Jesus' resurrection! The Lord's Supper, or Eucharist, was always central to this celebration as well.

And it is important to remember that we are actually doing this every Sunday! Christianity is the faith of those who participate in the resurrection faith of apostles, martyrs, confessors, and simple believers from every land and from every time since our Savior's resurrection! Come and be a part of this blessed company! I am so honored to be able to celebrate with you and to follow him together with you!

I will plan to see you Maundy Thursday at 7:00, then again on Good Friday at 7:00, and on Easter Morning.

In the grace of Jesus,

***Pastor Gary***

### **Council Update**

The council is currently working to increase opportunities for members to get more involved in the work at St. John's. We have been reviewing a list of committee responsibilities so each group knows what their tasks are. Our new council format started in 2016 and we continue to work to improve how this new format will work for us. There are 4 main teams: Spiritual Formation, Community Relations, Management and Finance. My focus is on Spiritual Formation which includes Worship (music and drama), Education, Confirmation, Stewardship, and Children, Youth and Family. If any of these areas are of interest to you, or you would just like to find out more information, please get in touch with me and I would be happy to answer any of your questions.

**OWLS**  
(St. John's  
Older, Wiser,  
Lutheran Seniors)

The OWLS will meet on Wednesday, April 5th, at 10:00 a.m.

At our meeting in January one of the priority interests in the group was to better understand how to read and study the Bible, for example, how can we better understand a book in the Bible like Revelation. We may have grown up with different notions about the meaning and interpretation of the Book of Revelation. This session, led by Pastor Gary, will help us learn about how to read and study the Bible, and we will get some keen insights in how to understand Revelation.

Once again, we will enjoy being together. We will share some coffee and snacks and pack a lot into this one hour session! If you have a family member or friend who might be interested in this topic, please invite them to join you for this study.

For more information, contact Del at 952-412-4917. *OWL are welcome!*

## Cherish All Children Ministry

The prophet Hosea reminds us that love and justice go hand in hand when he says *"Hold fast to love and justice and wait continually for your God."* (Hosea 12:6b) Our children are vulnerable and are being exploited in many ways in our society and there is often no protection for them. Cherish All Children is a national Lutheran ministry of prayer, education, relationship-building, and action that shows love and brings justice by preventing child sexual exploitation and advocating for justice for those who have fallen victim to the injustice of sex trafficking.

The prayer component of this ministry focuses on reconnecting with the youth in our congregations specifically by lifting them up in prayer. The beauty of this is that as we surround our children with prayer, we also deepen our relationship not only with the children but with our God as well. Consider what it would be like if every young person (birth to age 25) in our congregation was prayed for daily, intentionally, and by name by an adult member of our congregation. What transformation might be possible? What would the children think? Of what value would this be to the adults? How might it impact leadership?

Over the next month, you are going to be hearing more in worship about the Cherish All Children ministry and how you can become an important part in connecting with a child in our congregation, lifting them up in prayer, asking God to be with them to protect them, and helping them to feel loved and supported. At the same time, we'll be developing a new child safety policy for our congregation, including training for those who are involved with our children and youth ministries. Most organizations charged with care for young people have been doing this for many years. The church also needs to acknowledge the dangers that exist and take steps to insure parents that because children are cherished here, concrete steps are taken to ensure their safety in our nursery, Sunday School, Vacation Bible School, music programs and youth ministries.

*"Hold fast to love and justice and wait continually for your God."* (Hosea 12:6b) This is the Bible verse chosen by St. John's Cherish All Children team to ground and focus our work. We hope that love and justice becomes each member's focus as well, and that all of God's children feel that St. John's is a place where they are cherished.
